Dear Professor Hertz,

I am very sorry that for reasons I don't know my office has failed to return to you the two things Mr. Malinowski so kindly allowed me to keep.

I have written to our managing editor about this and I am certain he will return them immediately.

The story should be out soon and I have made arrangements for you and Mr. Malinowski to get advance copies.

Thank you for your assistance and patience. Lots of luck.

Sincerely yours

Harold Weisberg
